Dear Mr. Reilly:

Chemetals, a Baltimore firm, has brought it to my attention that the Ethyl Corporation is requesting EPA consider granting a waiver petition for the use of its HiTech 3000 fuel additive.

As this issue is of utmost importance to my constituent, I request that you review this petition on an expeditious basis and respond promptly. Please respond directly to Chemetals and send a copy to Carole Parker of my staff.

Again, thank you for your consideration of my constituent's request.

Sincerely,

Barbara A. Mikulski
